KAMALA HARRIS
DEMOCRATIC PARTY

JILL STEIN
GREEN PARTY

CORNEL WEST
INDEPENDENT

DONALD TRUMP
REPUBLICAN PARTY

IMMIGRATION

- Border security, reform the immigration system, earned pathway to citizenship. "Border Act of 2024" (opposed by immigrant advocates) signed into law.

- Legal status for immigrants: human rights advocacy, social justice & labor rights for all. Reparations to African Americans, end colonization of Puerto Rico.

- Address the climate-migration crisis, mitigate displacement. Policy transformation of the immigration system (just & humane).

- Finish border wall, mass deportation, reverse "open border policies." Strengthen ICE & increase penalties for the undocumented & overstaying visas.

WAR

- Protect U.S. forces & interests, support allies & defend Israel. Arms to Israel with no conditions.

- End war & genocide: suspend all military & foreign aid, loans & grants to Israel. Cut down on military budget drastically.

- End military funding to Israel. Call to action for global justice –close U.S. military bases abroad.

- Increase military budget, build an iron dome missile shield. Use the military to enforce border policy & suppress domestic protest.

ENVIRONMENT

- Build a thriving clean energy economy: climate disasters resilience, low household energy costs, new jobs. Accountability for polluters.

- Green economy: NO fossil fuel production, YES renewable energy & conservation. "Green New Deal," NO fracking.

- Healthy green environments, global green reconstruction initiative. Urgent crisis call to end oil & gas projects.

- Cancel the electric vehicles mandate. YES to energy production (all sources) –including nuclear. NO restrictions.

EDUCATION

- Affordable & quality education, end student loan debt. Scale up programs that create good career pathways for non-college graduates.

- NO student debt, free college tuition to qualified students. NO inequalities in school funding. Farm-to-School programs.

- Equal school funding, free tuition for higher education, end student loan debt. Fair compensation for teachers.

- Cut federal funding for schools. Create affordable alternatives to a traditional 4-year college degree.

DRUGS

- Implement the "Border Act of 2024" to intercept illicit drugs entering the country.

- End the culture of drug violence.

- Treat the opioid epidemic by providing humane mental healthcare & rehabilitation.

- Demolish foreign drug cartels & stop gang violence with the support of the U.S. military.

GUNS

- Support gun violence prevention programs.

- Background checks for purchasing weapons; gun violence prevention.

- Confront gun violence: background checks & license requirements.

- No background checks for guns & weapons.

ECONOMY

- Raise the minimum wage, cut taxes for middle class families. Support small businesses and invest in entrepreneurs.

- Raise min. wage to \$25/hr. Economic Bill of Rights to invest in community health centers, clean energy retrofits & new green construction.

- Eradicate poverty –provide access to education, healthcare, housing. Economic democracy — create federal public banking institutions.

- End inflation, restore American manufacture –create jobs, large tax cuts for workers. Promote "Buy American & Hire American" policies.

HOUSING

- Federal programs for affordable housing, end homelessness. Against racial bias in the home appraisal process.

- Guaranteed affordable housing: enforce Fair Housing Act & other federal & state fair-housing laws. Prevent homelessness.

- Rent control legislation. Prevent homelessness.

- Support new construction: promote homeownership through tax incentives & support for first-time buyers.

HEALTHCARE

- Establish paid family & medical leave. Universal healthcare for Americans.

- Healthcare for all: NO medical debt, universal healthcare & "New Green Deal for Health Act" for climate-public health crises.

- Inclusive Healthcare Policies, responsive healthcare systems, accessible & equitable for all.

- Abolish the ACA, expand access to new affordable healthcare for citizens, protect Medicare & ensure seniors receive care without excessive costs.
